Copyright

## Verse 1

**Bb** **Gm**  
I come before You with a heart  
**Eb**  
Of brokenness, of faded love  
**F** **Gm** **F/A**  
And I know You hold me still  
**Bb** **Gm**  
And still Your calling me the same  
**Eb**  
To bring the beauty of Your name  
**F** **Gm** **F/A**  
To the weak the hurt and the broken

## Chorus

**Eb**  
So make me Your hands  
**F** **Gm**  
So I can do the will of the Father  
**Eb**  
Make me Your eyes  
**F** **Gm**  
So I can see what You see  
**Eb** **F**  
Make me Your feet so I can go  
**Gm**  
Where Your light's shines dim  
**F/A**  
And Your name is unknown  
**Eb** **F**  
Let me offer unto You  
**Gm** **F/A**  
The heart of a servant

## Verse 2

**Bb** **Gm**  
And no I cannot go alone  
**Eb**  
I need Your spirit to shine upon  
**F/A** **Gm** **F/A**  
The darkened paths and broken bridges  
**Bb** **Gm**  
And now You're falling like a flood  
**Eb**  
Upon Your daughters and Your sons  
**F/A** **Gm** **F/A**  
Not for our but for Your purpose
