

This Is Freedom

Dan Smith

Verse 1

E **E/G#**
I will abandon my heart
A
Not to the things of this world
B
But to the things that are true
E
To the things that are You

E **E/G#**
I will take hold of this love
A
That has taken hold of me
B
I will walk into Your grace
/A /A /
For in your grace I am free

Chorus

E **E/G#**
Freedom, this is freedom
A **F#m⁷** **B**
Not to gain the world, but to give this life
E **E/G#**
Freedom, this is freedom
A **F#m⁷** **B**
Not to receive the gift but to offer mine

Verse 2 (same as Verse 1)

We will look into the light
That's shining over our fears
That's casting over our doubt
For You can carry them out

We will be reconciled
Into the arms of our Lord
For in Your heart we are sealed
For by Your freedom we're healed

Bridge

E/G# **A** **A** **E** **B**
The grace to stand here and lift our lives to You
The heart to serve You in spirit and in truth
A E B
A E B
This is freedom
This is freedom
Your holy freedom
